

The image shows a full-page decorative template. It features a light gray background with elegant, stylized leaf illustrations in various shades of gray. These leaves are scattered around the perimeter, creating a frame-like effect. In the center, there is a large white rectangular area. At the top of this white area, the Japanese word "チェックリスト" (Checklist) is written in a clean, black, sans-serif font. Below the title, the white space is filled with horizontal red lines, providing a structured area for writing or listing items.
